

Hanover Charities is involved in a broad range of charitable efforts that there's something for anyone wishing to be involved. Here are a few ways to help:

MONETARY CONTRIBUTIONS

Your donations to Hanover Charities--large or small--go a long way to help our Parish. We have no paid staff so you may be assured your monies go to those in need. And we are a 501(c)(3) organization in USA, so you can claim your donations to the extent allowed by tax law.

Three ways to donate:

- Mail a check to Hanover Charities USA, 824 Island Circle West, St Helena Island SC 29920.
- Donate by credit card online at <https://www.hanovercharities.com/donate/>
- Wire transfer your donation to our USA account. Please email floplace@comcast.net for details.

DONATE GOODS

Facilities and schools in our parish are in need of many items that we take for granted—sheets, towels, pillowcases, books and school supplies, clothing, and food staples. To learn about specific needs, please contact katrinc@hanovercharities.com.

DONATE YOUR TIME

From visiting children and the elderly to providing armchair travel talks, we can find a volunteer spot for you while on the island. We have enjoyed the support of school groups, medical organizations, and individuals in adding to the lives of people in Hanover Parish and enriching their holiday experience.

CONSIDER HOLDING A FUNDRAISER

If you are interested in holding any type of fundraiser—in Jamaica or in your own country—please contact us. We can provide brochures and loads of information about our efforts. For more information, contact katrinc@hanovercharities.com.

Hanover Charities
c/o Round Hill, John Pringle Drive, P. O. Box 64
Montego Bay, Jamaica

Volunteer, Louisa, with Basic School children.

Collaboration with Farm Up Jamaica and 4H Clubs to create school vegetable gardens.

HANOVER CHARITIES

Whether you are a first-time visitor or a regular, you are likely to fall in love with our corner of Jamaica. The charming people, the gorgeous views, luxurious resorts, and warm Caribbean water are alluring.

Our Hanover Parish is the second smallest in Jamaica and suffers from unemployment, high costs of food, and inadequate government support. The Tryall Club, Grande Palladium Resort, Dolphin Cove, and Round Hill Hotel and Villas are the major employers. Other than tourism, our people rely mainly on raising of livestock and a few agricultural crops, or having to commute long distances for jobs.

Those challenges are behind the lengthy history and mission of Hanover Charities, founded in 1957 by Round Hill's John Pringle, along with Custos William DeLisser and Lady Monson.

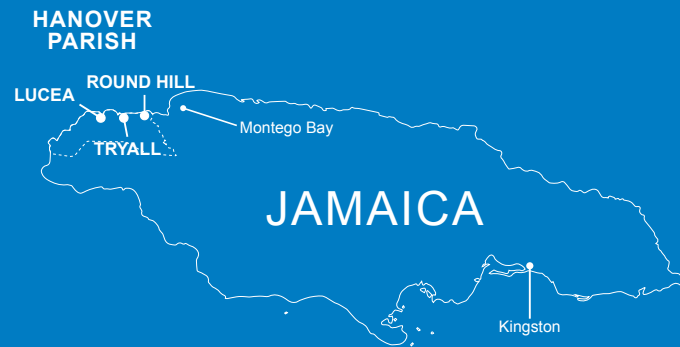

Funds from Hanover Charities provide help to dozens of charitable efforts each year, including:

- Programs to feed school children, the elderly, the indigent.
- Facilities, clinics, institutions, and projects providing health services.
- Organizations that promote positive values and education for children.
- Promising students in need of financial aid through Morris-Watkins Memorial Scholarships.

HANOVER CHARITIES

Hanover, the parish located on Jamaica's Northwestern tip, has high levels of poverty as well as challenges with proper education and health services. For over 60 years, HC has been working to bring hope and opportunity to the citizens of this Parish. Working with the communities in Hanover, we identify the most pressing needs and assist to find new and effective solutions in education, health care and agriculture.

HC is lean, efficient and truly a non-profit organization. We are solely reliant on volunteers and donations. Our main source of funding comes from the annual Sugar Cane Ball – where in the last 5 years we have raised over US\$ 2,500,000.00. We are overseen by a Board (again all volunteers) with a wide range of expertise and commitment to HC. HC has been a 501(c)(3) organization in the US since 2014 and is one of Jamaica's oldest and largest charitable organizations, founded in 1957 by Round Hill's John Pringle, Custos William DeLisser and Lady Monson.

OUR RECENT HC ACHIEVEMENTS

- On average 150 tertiary scholarships every year
- Computer rooms in 7 schools and more to come
- Annual Health Fair servicing hundreds of children and the elderly in rural areas
- Kitchen of Love feeding over 700 people weekly
- Hopewell Sports & Community Centre (built in 2018)
- Educational and school feeding programmes

A FEW SPECIFICS...

We would like to introduce you to our projects.

MORRIS-WATKINS MEMORIAL SCHOLARSHIP

Each year, Hanover Charities supports hundreds of students by providing full or partial scholarships for tertiary level education. We are proud to have sponsored many students who have excelled in their studies and later in their careers. The scholarship fund is named in honor of two past chairladies who were most generous and giving.

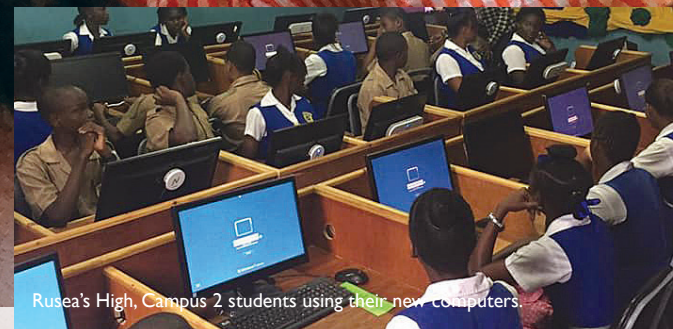

CECILE CLARE KITCHEN OF LOVE

Once each week, volunteers cook more than 700 hearty meals in Lucea. The meals go via ministers to the needy and hungry in the countryside of our Parish as well as to the homeless and indigent in the town of Lucea. Hanover Charities is the primary financial support for this charitable effort, providing money for food as well as funds to expand the kitchen.

WESTHAVEN HOME FOR DISABLED & ABANDONED CHILDREN

The Westhaven Home is located in a rural area of Hanover Parish, about an hour's drive from the busiest tourism center of Montego Bay. It houses more than 70 children who are severely mentally and physically disabled, and who have no one else to care for them. We have assisted this institution since its very beginning with an annual donation.

BUILDING OF COMPUTER LABS IN SCHOOLS

In recent years, Hanover Charities has outfitted several schools with computer labs. With the help of the Falkenberg and Creamer families, Hanover Charities donated 40 new computers to Rusea's High School, Campus 2. Other schools who are lucky beneficiaries are Church Hill Primary, Gurney's Mount Primary, Esher Primary, St Simon's Primary, Askenish Primary, Pell River Primary, Cove Primary, Mt. Hannah Primary and more to come. Hanover Charities' investment is worth millions in preparing primary and secondary students for the computer world.

HOPEWELL SPORTS & COMMUNITY CENTRE

The complete renovation of the HSCC is Hanover Charities' most ambitious undertaking to date. The project was a real team effort: with support from Hanover Charities, the Junior Chamber International Hopewell, the Lennox Lewis League of Champions and the Tryall Fund, the new building and the upgraded bleachers and fields improve the lives of approximately 10,000 people in and around Hopewell. The building, dedicated in 2018, houses a computer lab, a multipurpose room that will be used as a homework center as well as for social events, a kitchen and restrooms, as well as offices for HC and the JCI Hopewell who will manage the facility. The bottom floor of the building includes changing rooms with showers, lockers, and a boxing ring which is outfitted and is managed by the Lennox Lewis Foundation.
